- Place your drained turbo in a plastic bag, seal, and package with bubble wrap, newspaper, etc. Can ship in white Styrofoam cooler or sturdy cardboard box. We have found UPS & FedEx to be most reliable.
- All turbos incur a \$50 inspection fee. If you approve repairs, the fee is waived. If you do not approve repairs, the turbo will be sent back to you at your expense.
- Once a quote has been generated, you will be contacted within 1 business day. You will have 7 days to approve the repairs.
 - Any turbo left over 30 days will be recycled or sold to recover costs.
 - We are not responsible for any extra items shipped with the turbo.
